- 11 : 30 pm Arrival in Orsay \*

Chartres, within easy reach of Paris and the Loire Chateaux, enjoys international renown thanks to its **cathedral, which is listed by UNESCO as a World Heritage site.** The sparkle of its unique ensemble of stained-glass windows, the

**The cathedral, west façade** exceptional diversity of its historical interest, the Festivals of Light and Perfume and its multitude of beauty specialists, all located in the heart of Cosmetic Valley, have made Chartres the **Capital of Light and Perfume.** Its preserved historic districts, characteristic « tertres » (steep lanes and stairways) tumbling into the Eure, ancient churches and rich array of museums are perfect for gentle sightseeing excursions. And last but not least, the wealth of festivities, shops and arts crafts make Chartres a town full of charm and gaiety.

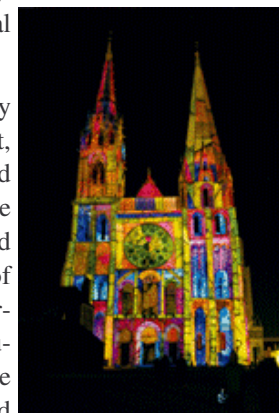

Stained-glasses

*\*Last train RER B for Paris at 10:53 pm and for Saint-Rémy at 1h04. Noctiliens N122 buses every hour along the REB B line. More information upon request.*

## Lights of Chartres

Member of the association « Lightning Urban Community International », Chartres comes under spotlights and take on new dimension, offering to visitor a unique, enchanting way to experience the main highlights of the medieval town.

With a scenography by Xavier de Richemont, 24 monuments and places of interest are illuminated in colored light to the rhythm of music, including Chartres Cathedral, the Museum of Fine Arts, the historical districts and the banks of the river Eure.
