

# VIVRE LE FRANÇAIS

Live, Love & Learn

## 2019-2020

French as Foreign  
Language courses

## COURSE OPTIONS

Each session is spread over one semester:  
2 x 2 hours a week for 15 weeks  
60 hours per session.

Science Accueil offers 4 programs adapted  
to every profile:

### **True beginner level**

You have just arrived in France  
and you do not have any knowledge  
of the French language.

### **False beginner level**

You have just arrived in France  
and you already know the basics.

### **Intermediate level**

Your French is reasonable  
but you wish to improve it.

### **Advanced level**

You speak French fluently  
but you wish to perfect it.

## THE HEART OF OUR PROJECT

“Indoor”  
and “outdoor”  
courses

Around  
**8 students** per  
course only

Long-term  
learning:  
**a whole  
semester**

Teaching  
based **on oral  
French**

**Additional  
homework**

Organization of  
cultural visits and  
activities

Flexibility of both  
the program and  
the schedule

An experience  
for all family  
members

A friendly  
atmosphere

# COURSE CONTENT

## “Indoor” courses

Topics are diverse and innovative:

- ▶ Current topics
- ▶ Themes of daily life
- ▶ An approach to French culture

## “Outdoor” courses

- ▶ Cultural tours: opera, theater, museum, cinema, concerts, exhibitions.
- ▶ Day-to-day situations: post office, bank, train station, supermarket, pharmacy, bakery.
- ▶ Original and interesting leisure activities: walks in the countryside, sporting events, scientific visits.

## Customized courses

You have a specific request, you have a company and want to offer courses within your establishment? You wish to have fun learning French with your family? Choose this personalized and flexible program!

## Let's break down the language barrier together!

Science Accueil is a French association committed to helping international scientists and their families establishing residence in France.

Administrative help, organizing cultural activities, house-hunting aid, Science Accueil's missions are diverse.

Today, the association offers innovative and high-quality French courses: courses in class but also immersive courses in Orsay, Bures-sur-Yvette, Gif-sur-Yvette, le plateau de Moulon, le campus Polytechnique and Evry.
