

Sites of interest to practice your French language

You are registered in our French courses, we thank you for trusting us.

Resource Center:

At Science Accueil, you can, if you wish, consult other resources to help you practice:

- Easy reading novels to borrow
- French language learning books

You can also have access:

- online tests to evaluate your level:
-> [see test guide](#)
- or use an open access computer (by appointment) to practice online (remember to bring your earphones for health reasons). You can also ask to meet with a teacher or facilitator to talk about specific difficulties.

-> [make an appointment](#)

Opening hours of the resource center: Monday to Friday, from 9:30 a.m. to 12:00 p.m. and from 2:00 to 5:00 p.m.
