FRENCH AS A FOREIGN
LANGUAGE COURSES
2023-2024

OUR FORMULAS

Science Accueil offers **3 options** to fit all profiles.

1 Semester formula

Regular classes twice a week over a semester for repeated and lasting learning. These courses focus on writing and oral expression through small group courses focus on oral communication, and writing skills, enhanced by immersion courses. Free access to few «Apéro-FLE» evenings to all participants.

2 Semi-intensive formula

Do you want to make rapid progress in French over a short period of time? Courses of 6 to 8 hours per week are organised during the summer (the proposed levels depend on the number of requests)

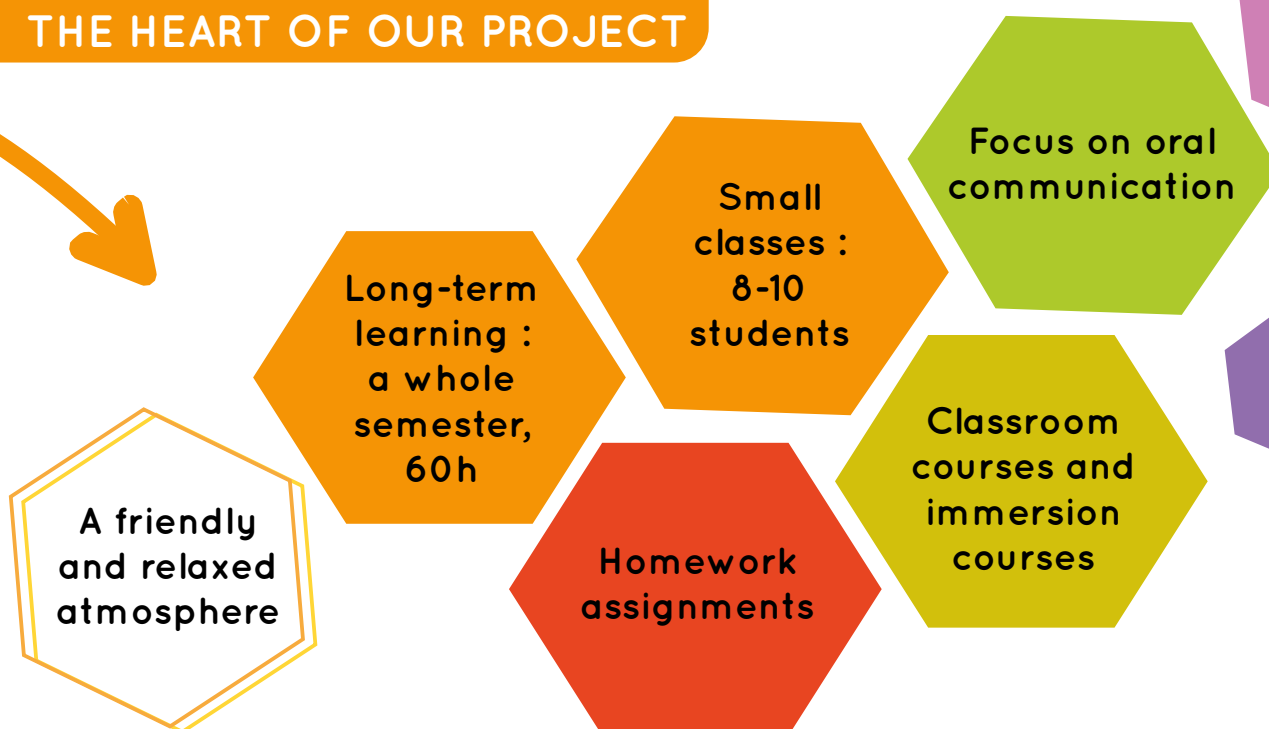

3 Customized courses

You have a specific request? Your company wishes to organize in-house courses? Our tailor made courses are adapted to your needs and objectives: group size, frequency, location, learning goals...everything's possible!

SEMESTER COURSES

THE HEART OF OUR PROJECT

COURSE CONTENT

- > **Classroom/in-class and immersion sessions**
Current affairs, daily life topics, discovery of French culture, situational and immersion exercises (shops, cafes, monuments, exhibitions...).
- > **FLE's party:**
An award ceremony at the end of every semester:
Shows, demonstrations, graduation ceremony, cocktail.
- > **Apéro-FLE**
In addition to your course, join our informal evening gatherings to improve your French through games, cine-debate or conversation classes, pronunciation, in the relaxed atmosphere of a bring&share apéro.

LEVELS

5 levels are offered, based on the CEFR (Common European Framework of Reference for Languages), subject to a minimum of participants. Students are asked to complete an online placement test upon registration.
